**RESPONSE TO OFFICE ACTION**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

**This response to the Office Action amends page 32, 34, and 50 of the specification, cancels claims 21-31 and amends claims 11-14 and 32.**

I. The Office Action

1. The June 20, 2005 office action (the "Office Action") in this application requested applicant to restrict to one of the inventions of:

- A. Group I, claims 1-20, 32 and 33 and
- B. Group II, claims 21-31.

2. The Office Action stated a telephone call was made to Stephen Donovan on Thursday, June 16, 2005 to request an oral election to the above restriction requirement, but did not result in an election being made.

## II. Election

Applicants elects Group I, claims 1-20, 32, and 33 with traverse on the basis that since all of the claims are limited to use of a Clostridial neurotoxin, such as a botulinum toxin, therefore a single search should suffice to search all the claims.

The non-elected claims 21-31 are hereby cancelled without prejudice to further prosecution at a later date.

### III. Telephone Call

The Office Action stated a telephone call was made to Stephen Donovan on Thursday, June 16, 2005 to request an oral election to the above restriction requirement, but did not result in an election being made.

Respectfully, the undersigned attorney did not receive such a telephone call.
